# 1968—YEAR OF YOUTH & ENTHUSIASM

CALUMET HIGH SCHOOL 1968. The year of youth and enthusiasm was filled

- with triumph as the Warriors emerged the victors
- with confusion as we found our way through the halls
- with excitement as we hurried to meet that certain someone
- with eagerness as we decorated for special occasions
- with tension as we crammed for that all important exam
- with indecision as we looked to the future
- with satisfaction as we completed the school year of 1968.

## Social Activities Break Humdrum of Classwork

While the Taxmen's beat goes on, playboy Bob August asks, "Where's the action, Jack? . . . Joyce . . . uh, what'd-ya say your name was?" She replies, "Judy's the name Tim . . . uh, Paul . . . uh, Dennis?"

In high school, studying and homework are not the only activities and academic achievement is not the only goal. Students at Calumet are experts in the art of enjoying and making the most of extracurricular programs.

Teenagers are all young crazy and full of life and the students here are by no means an exception to this rule. The next few pages depict the embarrassing frantic moments that some freshman, sophomore, junior, or senior would prefer to forget, but is funny when it happens.

Baron Von Yeager, sided by his valets Ford Fischer and Mike Cheek, prepares to dive 100 feet into a thimble of yogurt.

Singing "Up, up and away with G.A.A.," Jan Hinkle supplements her income by moonlighting with the "Omens".

"Okay Darrell, now this is the best way to get there. Go down the hall, turn left, and five steps past the water fountain is the boys wash-room," directs Carl Traicoff.

And here we have the Chief custodian, that little ole floor sweeper Gene Climer, posing as Mr. Warrior to get attention.

Erna Dease looks in disgust at the photographer who caught these two couples in a tender mood. Bill Yeager is filling in for Woody. Heh . . . Where is he? Joyce Beasley has Ford Fischer under her wings, but he doesn't seem to mind.

Finding it difficult to play "The Stripper" on the tuba, Jackie Lasater fakes it while keeping an eye on the crowd during half time.

This well-known twosome, Don Millington and Kay Parker, are always seen together at the dances. Here they demonstrate the Bavarian chicken dance.

## Varied Activities Con

Shall we play catch or dance? Maybe a new dance has been invented here, as Vicky Lee, Larry Young, and Beverly Lee demonstrate.

WLTH radio personality, Hoot Gibson, congratulates the student body over the PA system after Calumet finished first in the "School of the Year" contest and announces the winners of individual prizes.

Jackie Simunic and Yvonne Berbesque, "The Gold Dust Twins," do the shingaling at the Battle of the Bands dance.

Much work is involved with the annual Polio Drive. Joe Ring busies himself taping lids on containers used for the Senior project, while Beverly Wilkerson totals the money collected for the day.

"Shame on you, Mr. Schmidt," says Mr. Schmidt's conscience to Mr. Schmidt. "If I told you once I've told you a thousand times, don't sit on the potato chips!"

# prise CHS Student Life

Last fall work was started on the proposed field house in back of the high school. The school shimmied with the pounding of the derrick as they drove the pilings into the earth.

Taffy apples go over big during lunch and taking advantage of this fact are Homemakers Margie Flores and Teresa Wallin.

This impromptu concert is one of many staged in the band room. Pam Marrie and Dawn Harms play the tubas, Kaye Duke prepares to crash the symbols on drummer Lynette Dragon.

What's the password in the girls gym classes? Why, **BOTTOMS UP**, of course!

## The Many Faces of

Strike three and you're out! -- But this is not the case for Bryan Dye as he slaps a double to right field and drives in a run. Bryan, a senior left fielder, was a tremendous boost to the Warrior baseball team.

"The ability to take pain is the heart and soul of a good athlete." Demonstrating is Tom Barnett as he sweats it out at halftime. Assisting him is Mike Berdine who administers on-the-spot first aid.

One of Calumet's ace runners, Cliff Brown, seems to be in a daze during an indoor track meet at Bishop Noll. Cliff was also the school's finest X-Country runner this year.

# Athletic Competition

Athletics has proven to be a major part of a young man's life. Even if one is unable to participate, the thrill of victory and the tears of defeat blend to create a strong character and a better man.

Calumet has always produced fine teams in all sports. Even during off years, enthusiasm, spirit, and superior coaching have brought the team pride in their performance.

Even though the touchdowns, home runs, and baskets will be forgotten in the years to come, the thrill of competition will always be remembered.

Keeping in practice during the off-season helps Roy Nasby anchor the Calumet golf team.

Darryl Peddycourt breaks loose with a full head of steam and adds another two points for Calumet in the season opener against Gavit.

Henry Butler, one of the finest runners at Calumet, shows fine form at the end of the two mile X-Country course at Gleason. Henry ran only half of the season due to a torn muscle and was not able to run in the big meets.

Ken Stigall, Mr. Beckham's 112 pound terror grapples to pin his opponent. As a junior, Ken had a record of 22-3, was conference, sectional, and regional champion and finished third in the Indiana State Wrestling Tournament.

# Homecoming Activities Ignite School Spirit

The Homecoming Parade on Oct. 5 started Calumet's spirit and enthusiasm moving. It was followed by the traditional G.A.A. Powderpuff game. This proved to be an exciting nip and tuck battle between the senior "Many Ha-Ha's" and the sophomore "Kick-a-poos". The game ended in the sophomores edging out the seniors with a narrow 15 to 14 victory. The evening was ended by the lighting of the bonfire.

During the half-time ceremonies at the Homecoming Game, the Senior Class President, Mike Cheek, crowned the Queen. He also announced at the dance The Most Valuable Player, Jose Rodriguez and Mr. Football, Tom Parker.

"Mighty" Mary Verkuilen skips across the goal line for an extra point, while "Loping" Lawna Enoch directs the oncoming traffic. "Loco" Linda Opolski travels with the speed of lightning after poor "Mouse" Marcie Kirtland, who's trying desperately to find the locker room.

With her escort, Clark Dease, Kathy Lute, a lovely and deserving queen, begins her reign--graciously accepting the highest honor and privilege any senior girl can obtain from her fellow students.

The attendants, Chuck Reese, Marti Staresnick, Judi Parsons, Ron Pikula, Robbie Thompson, and William Ellis, cheer excitedly as Mike Cheek crowns Kathy Lute, Homecoming Queen, while her escort, Clark Dease, watches proudly.

During the Homecoming dance, Tom Parker thanks his fellow team members who chose him as the 1967 "Mr. Football".

The strong spirit of Calumet High School can't be doubted when the students have the kind of enthusiasm they displayed at the Homecoming Parade held on October 5.

Ford Fischer and Peggy Keller exemplify the festive atmosphere as they begin their joyous reign as king and queen of "Moonlight Serenade."

Deep in conversation, Arnold Wanak and Evelyn Barnett enjoy the soft lights and slow music, as they quietly discuss their plans for tomorrow's activities.

"Hmmm! Where are the chaperons when you really need them?" comments Debbie Bates to her date, Jeff Taylor, as she gazes at the amorous couple, Susan Resetar and Mark VanAtta.

## "Moonlight Serenade"

## "made" Gives Memories That Will Last

The drizzle and chill of the night did not succeed in dampening the enthusiasm of those who attended "Moonlight Serenade." The prom was held in the Crystal Ballroom of the Hotel Gary on May 5. The Hal Morris Orchestra entertained.

The climax of the evening came when Ford Fischer and Peggy Keller were crowned king and queen by John Olivarez and Judy Chiaramonte. Marti Staresnick and Jose Rodriguez were attendants.

The evening was continued at the post prom which was held at the Scherwood Club. The couples could have danced all night to the swinging music of the Jaguars but four o'clock came and with it the end of a perfect and memorable evening.

After an enjoyable and unforgettable evening, the clock strikes midnight and the 1967 Prom comes to a close as Thomas Parker, Phyllis Shawver, and Alan Nimetz prepare to leave.

The long awaited climax of their high school years has arrived for Theresa Ascona and David Glen Bacon as they receive their hard earned diplomas from Doctor Charles

Sharp, the Superintendent of Schools, who presided over the presentation of diplomas at the Commencement Exercises.

Barbara Umlauf, president of the Girl's Athletic Association, presents the G.A.A. trophy to Carl Anserello for The Best Senior Athlete.

Judy Chiaramonte and John Olivarez lead the graduating Class of 1967 into the high school auditorium on Senior Awards Day.

## Proud Senior— Look to the Future

Pride, regret, and joy accompanied the 285 graduates as they entered Memorial Auditorium on May 25. The seniors were led by Junior class officers, Marti Staresnick and Judi Parsons.

Speeches were given by the senior class officers: President--John Olivarez, Vice-President--Jim Ferguson, Secretary--Sandra Sharp, and by Co-Valedictorians--Linnea Danchi and Sylvia Ligocki and by Salutatorian--Nora Moore.

Their graduation speeches reflected their glowing anticipation and hope for the future and their memories of the past. The advice they gave to those who will follow, was spoken with the knowledge and experience of their enjoyable high school years.

Sylvia Ligocki, the class co-valedictorian, presents at the Commencement, her valedictory speech, which stressed her values and opportunities of education.

## FIERY DESIRE FOR KNOWLEDGE PROMOTES LEARNING

The courses offered at Calumet High School are varied to suit the future activities of its students. Advanced academic courses such as Chemistry II, Calculus, Honors English, Trigonometry, and three foreign languages are provided for the college bound students.

Bookkeeping, Typing II, Shorthand II, and Distributive Education are made available to students interested in business careers.

The many and varied subjects offered to the students make it possible to prepare them for any field into which they decide to go.

# Administrators Strive To Improve School

One of Calumet High School's biggest assets is its administrative staff, which supervises and plans school activities and manages its over-all operation.

Our futures are being guided by these competent individuals: the Superintendent of Schools, the School Board, the Principal, and the Assistant Principals.

These men and women are constantly searching for ways to improve and raise the standards of education in our own school and in the entire school system.

We as students are not, as of yet, able to adequately appreciate what they are doing for us. But in the years to come we will realize how much they have done to enrich our lives and broaden our opportunities for the future.

As one of the Assistant Principals, Mr. John Tsangaris carries a portion of the responsibility of managing the school and its students.

Being in charge of Calumet High School and supervising its instructors is not, by any means, an easy task, but Mr. Max Hile in his years as principal has proven himself to be a capable and wise administrator.

# System

Dr. Charles Sharp, the Superintendent of Schools, and Mr. Alfred Speck, the Assistant Superintendent of Schools, are our distinguished administrators, who provide the backbone to our educational school system.

Pictured during one of their meetings are the 1967-68 School Board members. SEATED are Mr. Austin Moore, Mr. H. F. Laudin, Mrs. Katherine Kusak, Mr. Earl Riegler, and Mr. Eugene Ewen. STANDING: Mr. Charles Stoner, Dr. Charles Sharp.

Mr. Macon Terrell, the Director of Pupil Personnel, is kept very busy dealing with the attendance of Calumet High School's students.

This year's PTA officers are: Mrs. Peterson, president; Mrs. Teitge, vice-president; Mr. Vass, vice-president; Mrs. Moosmiller, secretary; and Mrs. Ehlers, treasurer.

Mr. Michael Vass, after many successful years as Sophomore Counselor, received a promotion and has completed his first year serving Calumet as assistant principal.

## Counselors Guide, Direct, and

The Senior Counselor, Miss Ada Shonkwiler, who has been at Calumet for many years, has successfully guided many seniors to reach their highly aimed goals.

Mr. Milos Karagin has been one of the most prominent figures at Calumet High School for many years. In working long and hard at filling his position as Junior Class Counselor, he has been the inspiration of many successful students.

Mr. Edward Vondrak has recently been promoted to the position of Freshman Class Counselor. In addition to this, he also successfully fulfills the position of assistant Varsity Basketball Coach.

Mrs. Norma Hyndman, a graduate of Calumet High School, has begun her first year as Sophomore Counselor. She has been an assistant teacher for six years at various elementary schools in this district.

# Encourage Students

Typewriters clicking at a frantic speed--telephones ringing incessantly--announcements being read over the intercom system--voices mingling with the sounds of banging doors--desk drawers being absent-mindedly shoved into place--file cabinets constantly being opened and closed.

These assorted sounds and actions typify the Calumet High School office and the staff that run it so efficiently. These competent women have the tremendous task of organizing, filing, and keeping records of all school data, and do so with amazing ease and effectiveness.

## The Office—

## Where Confusion Spells Efficiency

The duties of the counselors of Calumet are many and varied. But their most important job is preparing students for their later years. Each of the four classifications of students has its own separate counselor. This counselor is responsible for scheduling the classes of all the students in his grade division. This process often includes having private consultations with pupils.

The counselors assist us in choosing subjects that are best suited for us and our needs both now and in the future. Their guidance and foresight have proven invaluable to the students.

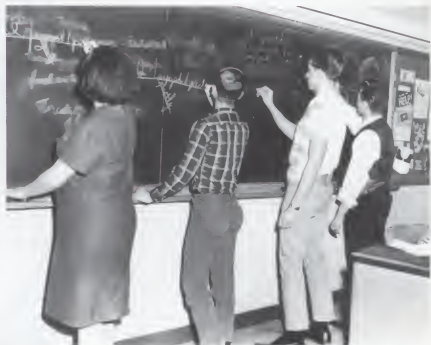

FIRST: Mrs. Wilma McCain, the secretary to Mr. Hile.  
SECOND: Mrs. Marjorie LeRoy, the guidance secretary.  
THIRD: Mrs. Corine Redar, the bookkeeper. FOURTH:  
Mrs. Velia Claplinger, Registered Nurse.

# Communicative Abilities Increase

During the past years the English department has expanded to meet the needs of the students. In addition to the regular four years of English, Calumet also gives its students the opportunity to benefit from other English electives such as speech, journalism, and composition.

These literary-minded students learn about such great men as Chaucer and Thurber. Now with the knowledge of how to find Canterbury and how to evade the clutches of a nagging wife, the English students are prepared to meet the challenge of the 20th century.

Attempting to master the age old skill of diagramming sentences are Brenda McElroy, Al Steapleton, Leonard Lamphear, and Dave Gerrard.

Mrs. Tolden explains the philosophy of transcendentalism to Rita Zerkovich in an after class session. Working with ideas and outside material is one aspect of honors English.

English Teachers. Mr. Paul Borlick, Speech, English III, Calumet Players; Mrs. Betty Chelliras, Teacher's Aide; Miss Karen Cutler, English II; Mr. Tom Dimmock, English I, II, Honors II; Miss Daria Forszt, English II; Mrs. Alice Kingery, English II, IV, TABS.

## with the Study of English

Journalism plays an important part in the English Department at Calumet High School. Mr. Lavery, the Journalism Department's whip-cracker and slave driver, stimulated after his

daily cup of coffee, questions Sooz Resetar while Ken DeRolf ignores the whole situation and is busy working on his sports section for the Warrior.

English. Miss Kathy O'Neal, English, Psychology, Sunshine Society; Miss Barbara Richardson, English; Mrs. Inez Tolden, English; Mr. James Wick, English.

Mr. Borlick, Calumet's English, speech, and drama coach and chief Green Bay Packer backer, explains to his class the methods involved in producing a winning football team. Mr. Borlick's English class finished the season with a 12-0-2 record.

The senior, during the study of economics, is required to understand the stock exchange. It's hard to see what Judy Halsey finds so funny about the stock

markets; maybe she's in the wrong section! Jim Griffin, Marilyn Jackson, and Karl Florence are enjoying the class, too. They must be on the same page!

## Current World Affairs Spark Informative Class Discussions

Social Studies. Mr. George Ahlgrim, Sociology; Mr. Dan Alvarez, Civics, Freshmen Football; Mr. Skip Boisson, Civics; Mrs. Lela Cooke, Gov't, Student Council; Mrs. Evelyn Houlis, U.S. History; Mr. Chris Kanolis, Civics.

Due to the advanced methods of communication and transportation, the corners of the world are slowly closing in about us. Because of this, it is important that each student realizes the role that America plays in its relationship with the other countries of the world.

The social studies instructors endeavor to impress this idea upon the future citizens. Civics and Government familiarize the students with the basic functions of democracy at work. U.S. History and World History provide the background information on which students build their knowledge and understanding of present day events.

Vince Johnson doesn't seem to be enthralled in U.S. History as he glances idly around the room and reads the latest edition of "Mad", while fellow students Larry Dye, Ed Kelly, and David Bragg listen attentively.

Social Studies. Mr. Lester Karaffa, Voc. Info., Civics; Mr. William Miller, Bus. Law, Comp. Politics; Mr. Don Starkey, World History, Track Coach; Mr. Chris Traicoff, Gov't, Cross Country, Basketball, Athletic Director.

In U.S. History classes, CHS juniors learn that "In fourteen-hundred and ninety-two, Columbus sailed the ocean blue." Absorbing this knowledge are Orell Whitaker, Belinda Wigsmoen, Bill Peterson, Paula Sanchez, and Debbie Scott.

Mr. Karaffa shows Vaughn Jones the approximate location of San Francisco, California on the World globe in his Civic class. Civics also deals with the understanding of local Gov't.

## Math Department Supplies Answers

Math Teachers. Miss Joyce Bonko, Business Arithmetic, General Business; Mr. Gerald Braun, Business Math, Pre-Algebra, World History; Mr. Randolph Harkabus, Algebra I, Pre-Algebra.

Square root, cosine, syllogism, Pythagorean theorem, all appear to be the names of some rare tropical diseases but in reality they are terms familiar to the math students.

The mathematics department has adopted a wide and varied range of courses available to the students. These include calculus, trigonometry, plane and analytic geometry, Business math, and Algebra II.

The study of these subjects enable students to expand and develop their mathematical abilities.

Mr. Robert Smead shows Kathy Joyner one of the basic equations of the new math. The modern math program was introduced at Calumet last year.

Trigonometry is one of the classes offered to students who wish to go beyond the regular courses in math. While Linda Gillette industriously tries to solve a complex fraction on her

slide rule, Bill Yeager and Mary Verkuilen look to the other side of the room where the class clowns are performing their daily side show for Miss Yatsko.

Math. Mr. Robert Royer, Geometry, Golf Coach; Mr. Robert Smead, Algebra; Mr. Lawrence Wier, Algebra, Calculus, Math Club; Miss Pauline Yatsko, Algebra, Trig, Pep Club, Cheerleaders.

In Mr. Weir's calculus class we find David Kelleman, Ted Danchi, Judy Saroff, Jerry Banks, Jim Griffin and Gary Stamper working on their assignments.

# Frogs—Pride of Science Department

As the importance of science is stressed more and more in preparation for college and many careers, this department at Calumet has grown in importance.

After a year of practicing the scientific method on individual experiments and projects, the students have gained an insight and a deep understanding of the composition of living matter. This enables them to increase their knowledge of the world around them.

These courses offer the students an opportunity to think for himself and learn about the scientific wonders of the universe.

The course in physics provides lab periods for experimentation. Steve Moffit, Jose Rodriguez, and Gary Stamper make a study of light and energy.

Science. Mr. Charles Cole, Biology; Mr. Raymond Kirk, Physics, Plain Geometry; Mr. Harry Richard, Chem. I, Adv. Chem.; Mr. Leonard Sajda, Biology, Chem. I; Mr. Ray Skamay, Biology; Mr. Richard Trcka, Gen. & Phy. Science.

Learning by doing--Beverly McQueary, Belinda Wigsmoen, Jackie Borom, and Linda Atterbury work an experiment in Advanced Chemistry class. Their second semester work consists of qualitative analysis of an unknown.

The mysteries of dissecting a frog are being explored by Mr. Cole's biology students. Dennis Blink dissects while Belinda Yeager, Alice Cline

and Ann Beurgler acquire the answers to their questions. Behind them is a chart showing the stages of development of the frog.

General Science and community biology are offered as prep courses to regular biology. Here, our scientific students display different opinions of their work. Murry McCoy--Ho-hum! Another day, another class.

Business: Mr. Jerry Cantrell, Intensive Lab, Mr. Tom Dak-  
ich, Typing, Intensive Lab; Mrs. Fields, Shorthand, Typing;  
Mrs. Sandra Juratic, Typing; Mr. John McCall, D.E.; Mrs.  
Francis Meyer, Typing.

## C.H.S. Is Busy with Business

Positions as typists, secretaries, stenographers, filing clerks, and bookkeepers await those interested in the field of business.

Two years of shorthand and typing are offered. Intensive Lab stimulates office conditions in order to give students practical practice.

A complete business education also includes general business and business law. In addition, retailing, bookkeeping, and salesmanship are offered for those who wish to extend their knowledge in this field.

Office workers are required to learn how to run the duplicating machines found in the outer office. Janet Schumacher runs off the daily bulletin before distributing it to all teachers.

Part of training future businessmen at Calumet is learning how to operate an adding machine. Bill Chancellor works furiously in trying to balance an account in his practice set.

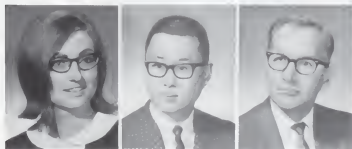

The intensive lab students perform many services for the teachers at Calumet. Carmin Vasquez, Rick Cortez, and Kathy Hales type up test papers while Brenda Nelson and Linda

Opolski use adding machines to figure up how much each club has in its treasury. This class offers valuable training for future secretaries.

Business teachers: Mrs. Nancy Reyes, General Business, Typing I; Mr. Ronald Semba, Distributive Occupational Education, DECA Sponsor; Mr. Joseph Yacko, Typing II, Bookkeeping.

Girls who are seriously considering the studies of intensive lab for their future are Sharon Francis, Kathy Hales, Susan LeRoy, and Sue Duvall.

Bob Davis uses the last few minutes of his business math class to finish his assignment. Robert Davis, Kathy Danny, Danny Harris and Bill Kelly have already stopped working and are waiting for the bell.

# Boys Join Confusion in Kitchen

Learning the art of fine home-making is the desire of most ambitious home economics students. The odor of cakes and cookies filters through the door and mingles with the hum of sewing machines.

This year the boys have assumed their place in the home economics department. A boy's cooking class was added to the list of electives.

Fifteen boys have enrolled in this class and they have become a credit to the cooking world.

In cooking class we find Theodis "Luigi" Brock and Harry Hood trying their luck at the fundamentals of fixing a pizza. Mrs. Kime's cooking class for boys is a new course offered at Calumet.

Home Economics, Esta Garland, Home Economics I,II; Miss Freta Cutzman, Home Economics I,III, Boys Home Economics; Mrs. Evelyn Kime, Home Economics I,II,III,IV; Boys Home Economics.

Mrs. Garland shows Gaynell Clark how to assemble a mixer. Next she demonstrates the finer points of beating an egg. "Ha-Ha the yoke's on you!"

Shown putting the final touches on his woodshop project is junior Gerald Brown. As a safety feature, goggles must be worn while working on the lathe and using other power tools.

Vocational Dept. Mr. Larry Barlett, Drafting; Mr. Bert Michael, Woodshop, ICE; Mr. Ted Seabloom, Woodshop; Mr. Greg Shmagranoff, General Shop, Metals.

## Mechanics Sketch Their Future

The buzzing of a saw, the humming of a drill, and the coarse sound of sand paper rubbing against hard wooden surfaces shatter the atmosphere of the shop classes. These vocational classes at Calumet High School are being taught by Mr. Bartlett, Mr. Michael, and Mr. Shmagranoff.

Boys scurrying back and forth, each with a definite purpose, as sparks fly from the welding torch, is a common sight around the vocational classrooms. In the shop classes, boys have the chance to develop their skill. The fine woodshop, metal shop, and mechanical drawing class enables many boys to become successful craftsmen in construction fields.

Jimmy Randolph and Larry Fikes work diligently on blue print plans while Eric Vincent daydreams. Is he thinking up plans for the city of tomorrow, or is something else on his mind?

# Music Department Hits High Note

Mr. George Demeduk, Band Director; Mr. Jack Trippe, A Cappella, Chorus; Mr. Cruz Velasco, Ass't. Director.

# Students Appreciate Good Health

Good health is a priceless commodity that Calumet's gym classes try to develop in its students and make the most of.

Here at Calumet, girls as well as boys must have a year of physical education and a semester of Health in order to graduate. Gym classes are held either two or three times a week while health classes are held daily.

Students learn everything from square dancing, calisthenics, and kick-ball, to the correct method of taking a shower.

Miss Janice Hinkle, Girl's Physical Education instructor shows her form while demonstrating how to serve a volleyball. Pat Oliver watches closely in order to pick up a few pointers from her delivery.

Health and P.E. Mr. Roland Beckham, Physical Education, Vocational Information, Varsity Wrestling; Mr. Steve Bjelich, Physical Education, Junior Varsity Basketball, Drivers Education; Miss Zella Doty, Health.

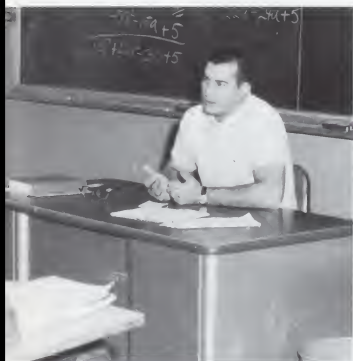

In gym class girls learn to play basketball, volleyball and run track. Miss Hinkle starts the second semester with gymnastics. Lila Greene prepares to execute a headstand while Sue Moore, Pattie Oliver and Alice Peek wait their turn.

Tina Baxter and Clarence Wilkerson review the names of the bones for their next test in Health. "George", the skeleton, comes in handy when

the chapter on bones is being studied in Mr. Joseph's Health class. A semester of health is one of the requirements for graduation.

Mr. Dan Alvarez explains the importance of Health during the first few weeks of the course. One point he stresses strongly is, "An apple a day keeps the doctor away."

Mike Tubbs tries to set up a shot for one of his team members during a spirited soccer game. The warm spring weather brings the students a welcomed change from the winter routing of indoor activities.

Health & P.E. Miss Janice Hinkle, Physical Education, G.A.A. Sponsor; Mr. Robert Joseph, Drivers Education, Health; Mr. Len Schmidt, Typing I, Business Arithmetic, Football Coach and Track Coach.

## Foreign Tongues Become Familiar

"Bonjour, mes amis." "Hasta la vista!" "Sprechen sie Deutsch?"  
"Veni, vidi, vici."

The strange sounds of Latin, French, and Spanish resound through the halls as the foreign language students demonstrate their abilities practice their subject.

Calumet offers French I, II, and III, Latin I and II, and Spanish I and II in its curriculum. These foreign languages are designed to help prepare the students for a college career and also to familiarize them with the countries.

Clifford Brown, Rick Childress, Dean Scott, and Joe Gnice use the new equipment in their French class to practice their speech and to hear the language.

Foreign Language. Mrs. Louise Vale, Spanish, Pan Am. Club; Mrs. Elsie Waldron, French, English IV, Composition, French Club; Mr. Irvin Zielinski, Latin, Bookkeeping, Latin Club, Honor Society.

Much to the delight of Jackie Morgenroth and other class members, David Meyers and Ken Duke try to put their knowledge of the Spanish language to use in an informal conversation.

# Warriors Dabble in the Finer Arts

Mr. Wilson, the instructor of the Art I, II, III, and IV classes, supervises his students in the use of watercolors, oils, charcoal, and chalk. The students learn the different types of art.

The advanced art classes are taught photography and the developing process. They also do the printing for the Calumet publications.

Under the direction of Mr. Wilson, many young, aspiring artists develop their abilities.

Mr. Roy Wilson,  
Art I, II, III, IV,  
Printer, Photo Pro-  
cessing.

These industrious art students, Richard Soria, J. B. Thomas and Ron Walker learn the fundamentals of charcoal sketching.

Artist Bob August paints a still life in art class. Advanced art stresses individual ideas and creativity in all phases of art.

Sooz Resetar and Judi Hall display one of their colorful art projects. Art class gives students an opportunity to develop their talents and skills.

# Library Facilities Expanded in '67

Librarians. Mrs. Millie Morrison, Head Librarian; Mrs. Mary Semba, Assistant Librarian, Audio Visual Administration.

Students at Calumet are benefiting from a newly remodeled library. Work on the library began in November and was completed in January. The finished product was a modern and enlarged library with greatly expanded facilities and a wider selection of material. The library contains books on a numerous variety of subjects, both for reference as well as for entertainment. Also, a language lab was installed to assist those students in foreign languages.

Mrs. Morrison, Mrs. Semba, and their student workers keep the library organized for the best advantage of the students.

Relaxing during their study hall with the latest edition of their favorite magazines are Alvin Rodriguez, Larry Moore, Randy Duncan, Rich Martin, Ken Yager, and Bob Long.

Renee Carrigan and Linda Kimmell, third hour library assistants, check out books for Jackie Smith, Crystal Rodriguez and Maxine Smith. Assistants also file books and straighten book shelves.

## Special Ed. Added to Curriculum

Mr. James Miller, Special Education instructor, assists Frank Novak, as Joseph King and George Washington look on.

Mr. Bob Lancaster, head custodian at Calumet, tidies up the halls and rooms with his patented electric zoom-broom.

## Janitors Compete with White Knight

The custodians and cooks are the behind the scene men and women at Calumet. Through their time and effort they maintain the beauty of the surroundings and provide for the welfare of our stomachs. They are always at hand to lend assistance, although they are seldom given the praise which they highly deserve.

Mrs. Bjorklund, Mrs. Blink, and Mrs. Ryan put the finishing touch of luscious whipped cream on their pineapple upside-down cake, one of their exceptionally good desserts.

Mrs. Skinner, Mrs. Potoma, and Mrs. "Grandma" Randhan, Calumet's answer to Chef-Boy-ar-Dee, proudly display their prize peanut butter cookies.

Mrs. Amanda Rahmstorf, one of the many hard working women at Calumet, readies a room for tomorrow's classes.

## ORGANIZATIONS ENLIVEN, ENTHUSE AND STIMULATE

Calumet High School provides a scheduled program of clubs for the students. This enables them to take an active part in club functions and participate in their activities.

These twenty-five organizations strive each year to increase club treasuries and provide enjoyment, recreation, and culture for their members. Each club has a constructive project.

The purpose of these varied extra-curricular activities is to acquaint the members with responsibility and leadership. They also contribute in the developing of character, special interests, and well-rounded citizens

# Council Makes CHS "School of the Year"

The Student Council has been very active during this school year helping various classes, clubs, and organizations with their projects.

The Student Council started different types of dress during Homecoming week while also helping with the planning of the many Homecoming activities.

The Council also presented a new idea to the student body which was the decoration of the classrooms and halls. Judges were selected and they voted on the most original room and hall.

The annual Talent Show was presented to the student body in the spring. Slave sales, bake sales, and the Polio Drive in January were among a few activities in which members of the Council took part.

Marti Stareshnick and Chuck Reese performed a medley of folk songs to win first place in the 1967 talent show. Students display their talents and compete for recognition honors while council members and selected teachers judge the contestants.

Decorating the bulletin board of their second hour class, Alan Nimetz and Jose Rodriguez participate in the class decorations contest sponsored for the first time this year by Student Council. V-7 took first place honors.

Calumet was named "School of the Year" by the WLTH radio station through students votes. Jerry Allende buys several post-cards from JoAnn Hayworth for his vote for Calumet.

Jimmy Sue Nix pleads for mercy as Chuck Reese auctions her off during the annual Student Council slave sale, the Councils money-making project for the polio drive.

These Student Council members are representatives for the student body's government. Jimmy Sue Nix, Janet Hall, Tim Terrell, and Bruce Schwartz discuss the Polio drive.

## Guest Speakers

Caught in various stages of musical gyrations at the Math Club dance, Susan Leroy, Lynda Gillette, Cheryl Meulemans, and Debbie Olson keep time to the band as Terry Maryonovich waves to . . . ?

Math Club Officers. SEATED: Chuck Reese, President. STANDING: Ford Fisher, Secretary and Reporter; Mark Pappas, Vice-President; Bill Yeager, Treasurer; and Mike Cheek, Sgt. at Arms.

The Chemistry Club offers insight into the atoms and protons for Calumet's budding chemists. Bob Freeman, Jim Patterson, Wayne Demkowicz and Pat Estes listen to a scientific discussion of life.

Chemistry Club reporter, Ken DeRolf, is shown interviewing Mr. V. T. Hill, head of Quality Control Labs, Inland Steel, who was one of the numerous guest speakers presented for the benefit of all the club members.

# Make Clubs Lively and Informative

The Chemistry, Math, and Physics Clubs represent the science department. Their purpose is to give students a chance to advance their subject matter.

The Chemistry Club had many guest speakers, among them: Dr. McWinnie, Head of the Biological Department at De-Paul University, who spoke on the problem of air pollution and Sergeant Major Sandell, a Green Beret, who spoke on the medical training program.

The IBM Center in Chicago was visited by the Math Club in order to learn the fundamentals of computer operations.. The members also sponsored a picnic.

Mr. Kirk's Physics Club learned the art of good photography this year as their special project.

Listening intently to a discussion concerning the field of magnetism, Joe Rodriguez, Jerry Banks, Gary Stamper, Steve Moffett, and Peggy Keller receive just one of the benefits Physics Club offers.

The 1967-68 Physics Club Officers lead a group of students interested in learning more about scientific equipment and various science fields. From left to right are Chuck Reese, Sgt. at Arms;

Jerry Moosmiller, President; Joe Rodriguez, Sgt. at Arms; Tom Parker, Treasurer, Mike Tipton, Secretary, and Gery Moosmiller, Vice-President.

The 1967-68 Latin Club Officers are Peggy Keller, President; Robert Bank, Reporter; Grace Davis, Secretary; Eugene Climber, Vice-President; and Phyllis Shawer, Treasurer.

Blasting out with the "now" sound, the Taxmen provide the music for the Latin Club dance. Accompanying Rueben DeLaCruz are Ralph Thomas on the guitar and Noel Wigmooen on the drums.

Pan-Am. Club Officers decked out in authentic Spanish accessories are Chuck Banning, President; Jackie Hodge, Secretary-Treasurer; and Margie Flores, Vice-President.

What's this? Some sort of new monster? No! It's Joe Ring hitching a ride to Mexico. Mike Sutton and Linda Olson look surprised as the rest of our candid camera celebrities stroll to the music at the Spanish dance.

## Language Clubs Add Knowledge of World Cultures

Three clubs represent the language department: Latin, French, and Spanish.

This year the Latin Club's annual Roman banquet was held at the Gary Steak House. The members attended the dinner dressed in the fashion of ancient Rome. To finance this project the club had a dance in December.

The Art Institute in Chicago was visited by the members of the French Club. A bake sale was sponsored by the club to raise money for this field trip.

Mrs. Vale's Spanish Club, in order to raise money for its treasury, sponsored a dance in January.

French Club Officers. Ted Danchi, President; Bruce Shultz, Vice-President; Barb Umlauf, Treasurer; and Pat Lowe, Secretary, take a break from their planning of the annual celebration of Bastille Day.

Mark Corder, Rodney Nesmith, Ira Rouse, and Greg Lewin make their own plans instead of listening to the French Club meeting which is going on at the front of the room.

President Barb Umlauf sells Sandy DeLong a G.A.A. sweatshirt. The team members wear their sweatshirts during volleyball and basketball games and at track meets.

Ken Duke shows his gentlemanly manners as he pins Judy Swisher's corsage on her dress. Ken and Judy were among the many couples who attended "Incense and Peppermint", the annual GAA Ball.

## GAA Promotes Skill, Sportsmanship, and Athletic Experience

Basketball, football, bowling, volleyball, track--you name it and the G.A.A. does it. Miss Hinkle, the sponsor, and the officers organize activities which enable the members to learn the fundamentals of sportsmanship.

The main athletic event is the Powderpuff Football Game, with the Sophomore team defeating the Senior team by a close margin of 15-14.

Although the G.A.A. is basically an athletic club, it sponsors one social function which is the G.A.A. Ball. The theme of the ball was "Incense and Peppermint" and the Omens played. Linda Opolski was crowned queen and her court consisted of Ronda Hamersley and Janet Hall.

GAA Officers. ROW 1: Tamara Kucko, Sec.; Debbie Scott, Reporter; Martha Verkuilen, V-Pres. ROW 2: Barb Umlauf, Pres.; Lynda Teitge, Parl.; Kathy Lute, Treas.; and Ronda Hamersley, V-Pres.

Decorating the Christmas tree is only one of the many projects sponsored by G.A.A. Hanging tinsel and ornaments are Lawna Enoch, Mary Ann Monik, Linda Lachney and Tamara Kucko.

Pat Newell pauses for the cameraman and is halted by Susan LeRoy during the annual powderpuff game which is sponsored by G.A.A. The game is the club's biggest money-maker and point gainer for the girls.

Every Friday the G.A.A. has an activity period for two hours. The girls play basketball, volleyball, and badminton. The activities provide the girls with needed exercise and points toward their letter.

The 1967 GAA Ball Queen and Court are pictured with their escorts. From left to right are David Baker, Ronda Hamersley, junior attendant; Clark Dease, Linda Opolski, Queen; Ken DeRolf, and Janet Hall, sophomore attendant.

## Pep Club, Cheerlead

1967-68 Cheerleaders: JV--Sherry Wallace, Judy Clibourne, Alberta Valencia, Jackie Morgenroth--Capt., and Sue Gray. Varsity--Terry Maryonovich--Capt., Linda Opolski, Yvonne Berbesque, Kathy Hales, and Jackie Simunic.

Assuming the responsibility of promoting school spirit at all home basketball games, Chuck Reese was selected as Mr. Warrior. Chuck leads the team on the floor and encourages students to yell for their team.

Becky and Beth Bartock dress for the games in appropriate Warrior attire to express their enthusiasm and support for the basketball team. The young mascots were caught during a half time session wondering where their mother had gone.

One of the qualities that cheerleaders are noted for is their vitality and inspiration to the crowd. Terry Maryonovich shows this at a basketball game.

# ers Keep School Spirit High

The spirit of Calumet and the enthusiasm the students demonstrate at the various athletic activities is due to the leadership of the Pep Club and the cheerleaders. Miss Yatsko sponsors both these organizations.

The Pep Club is an organization open to all classes, whose main function is to back the teams and raise the participation rate of the student body.

Hurrahs and hoarseness mark the life of the junior varsity and varsity cheerleaders. These ten energetic girls lead the students in support of the school. They are an example of the spirit and enthusiasm possessed by every Calumet student.

Pep Club Officers. Lynda Gillette--Treas., Kay Parker--V. Pres., Kathy Hales--Pres., Mary Verkullen--Sec., Linda Opolski--Sec., and Pam Stec--V. Pres.

This is the first year Pep Club has had a successful organized pep block. Club members worked out routines for added entertainment to everyone present. They

are shown here cheering during the break between games. This is also the first year Pep Club members may receive a letter for attending a majority of games.

Looking through our Romper Room Magic Mirror, we see all our little friends who compose the Varsity Lettermen of our school. Johnnie, Brucie, and Wally all fought for front row seats.

Marc Valentine, President, dreams of bigger and better things for Varsity Club to do. Treasurer Jose Rodriguez collects dues while Tom Parker, Vice-President, ponders the potato chip sale.

## Male Athletes Organize Club Activities

Ed Kelley and Fred Keck sell those wonderful Peerless Potato Chips at 4C lunch hour. Here they are transacting business with Bill Kelley and Brenda Martin.

The members of the Varsity Club have made themselves conspicuous this year since they began wearing identical sweaters. These sweaters are red with large white "C's" on the front. This project has been a boost to school spirit.

Washing cars, selling sweat shirts, and sponsoring a picnic at the Dunes are annual activities of this all male club. This year the boys started a new method to raise money--the selling of potato chips, which has turned into a great success.

# Honor Students Plan Loyalty Day Program

The Honor Society's main objective is to increase their treasury. This money will be divided into scholarships which are given to deserving senior members.

This year the Junior and Senior Honor Societies became one organization. Although they have kept their individual charters and officers, the clubs now share activities and their treasuries have been combined.

Mr. Zielinski, formally the sponsor of the Junior Honor Society, has now taken over both the Junior and Senior Societies.

Coach Carl Traicoff, disguised as Marcie Kirtland, draws up a play that is a sure to win the game. Mary Farthing, Ronda Hamersley, Julis Torchia, Suzanne Parker and Brenda Nelson naturally object.

Members of the Calumet Warriors prepare to jump against Bishop Noll's Warriors for possession of the ball for the annual loyalty day skit.

## Homemakers Aid Needy Families

One of the most active and beneficial clubs at Calumet High School is the Homemakers Club.

This year they held a taffey apple sale to finance their Christmas Cheer Baskets. These baskets of food and toys were distributed under the direction of Mrs. Garland and Miss Gutzmann to six families in this region. In February, the club had the initiation of new members. To raise money for their annual Homemakers Banquet, the members held a bake sale.

Homemaking members Judy Hall, Ruth Wallin, Pat Peach, Julia Torchia, and Margie Flores discuss plans for the annual Christmas Cheer Baskets. The club held a taffy apple sale to raise the money for the project.

Homemakers Club Officers are Linda Opolski, President; Nancy Webster, Secretary; Dawn Harms, Treasurer; Jackie Simunic, Parliamentarian; and Theresa Sheffield, Vice President.

Making plans for their upcoming initiation during an after school session are Jackie Simunic, Dawn Harms, Nancy Webster, Linda Maultsby, and Linda Opolski.

Tuning up to sing "You Are My Sunshine," the Three Bears, better known as Bill O'Neal, Jack Searle, and Tom Benson, entertain following the Sunshine initiation.

Ellen Braden and Pat Sims sell Anthony Wright a box of Heath bars for the Sunshine Society's money-making project. The proceeds go to the Riley Children Hospital.

## Sunshine Society Brightens Lives of Needy People

An all-girl club that want to help and make people happy is the Sunshine Society. Girls from this club have become Candy Strippers at various hospitals in this region and have shown a remarkable eagerness to give help and a smile for those in need.

The Sunshine Society with the help and instructions of Miss O'Neal and the officers, have participated in the collecting of food for the annual Christmas cheer baskets. They have also sold candy to raise money as a gift for crippled children.

Sunshine Officers. T. Wiesemann, Pres.; P. Marrie, Rep.; E. Connor, Rep.; K. Duke, V-Pres.; N. Chiarmonte, Rep.; and B. Micheal, Sec.

Passing candles to Sunshine Society initiates, Terri Wiesemann prepares Ellen Braden, Elizabeth Mount, and Pat Sims for the traditional formal ceremonies.

# FTA, FNA Provide Career Information

The Future Teachers of America Club helps students prepare their future and they visit colleges and various schools.

The F.T.A. sponsored a dance in April, sold books, and held a bake sale which raised money for the treasury.

Students do not hear many things about the Future Nurses Club although the girls in this club have had money raising projects such as a dance, which was held in February so that the proceeds could go to the men in Viet Nam.

Making plans for their Future Teachers Association dance, President Linez Washington discusses bands and their prices with committee members Elaine Mitchell and Carolyn Simmons.

The 1967-68 Future Nurses Club Officers from left to right are Grace Davis, Treasurer; Jacqueline Borom, Vice-President; Ernestine Peterson, Secretary; and Phyllis Shawver, President.

The FTA officers are: Tamara Kucko, Treas.; Linda Lachney, V-Pres.; Elaine Mitchell, Sec.; Dottie Washington, Parl.; and Linez Washington, President.

FNA members Brenda Carpenter and Phyllis Shawver apply their first aid knowledge on Mike Olin as Mrs. Caplinger stands by in case of a real emergency.

# DECA Fills Future Employment

Distributive Education is a program of instruction in marketing and distribution designed to improve the efficiency of persons engaged in distributive occupations.

During the school year, 32 trainees have taken trips to South Bend for a Regional Leadership Officer Training Conference, to Indianapolis for the State Officer Elections, to Bloomington for the State Contest, and to Chicago for the National Contest.

Tim Newsome and Pat Williams were elected as State Vice-Presidents of the Northwest Region. This was the first year that students from Calumet have been elected to state offices.

Appearances were made during national DECA Week on WCAE TV, Channel 50 and WJOB to promote the DE Program.

Beverly Wilkerson and Cindy Roberts are working on just one of the many projects DECA students sponsor. Posters and signs for all school activities are painted by the club members.

Mr. Melvin Minion, a representative of New York Life Insurance, is greeted by Mr. McCall previous to his talk presented to Distributive Education classes and DECA Club.

Santa gives a sigh of relief as he rests his weary body after the long trip from the North Pole. Mr. Claus, alias Dave Garrard, was with the DECA department all week where he helped with the distribution of toys.

DECA Club Officers. Carl Robinson, Vice-President; Dan Robertson, Historian; Bonnie Huffman, President; Larry Hubbard, Treasurer; Jerry Robinson, Reporter; and Tim Kostelnik, Secretary.

## Warriors Enjoy Opportunity To Ham It Up

Lights . . . Camera . . . Action . . . The curtains part, the spotlight swings into position, and the Calumet Players are on. The smell of the grease paint and the roar of the crowd are familiar to those Juniors and Seniors who are members of the Calumet Players and to their sponsor, Mr. Borlick.

During the school year, these aspiring artists present a melodrama and a play with the co-operation of the Art Department, which helps with the scenery.

"Oh woe is me, woe is me," cries Ronda Hamersley as she thinks of her coming marriage to the wretched Mr. Gargle. Her poor mother, played by Debbie Olson, consoles her and convinces her that it must be done.

The annual melodrama presented by Calumet Players was given loud applause by the audience as the cast was being introduced. The play, "True Blue and Trusted", consisted of club members Nick Borns, Gary Stamper--Pres., Martha

J. Tamarack Gargle, played by Gary Stamper, plots a dastardly deed with Maxine Mascarra, alias Peggy Keller, against the hero in the annual melodrama "True Blue and Trusted."

Lassar--V. Pres., Daun Slather, Ronda Hamersley, and Debbie Olson. Mr. Paul Borlick, club sponsor, gives a few words of appreciation to the students in attendance. Mr. Vass stands by to dismiss students.

"It's Academic" scholars, Eric Vincent, David Kelleman, David Thiel, Jerry Banks, and Mary Verkuilen, prepare for their television debut by reviewing possible areas of questions.

David Kelleman might seem to be listening to the latest pop music, but actually it's question and answer time--in preparation for competition on "It's Academic".

## 'It's Academic' Premieres CHS Whiz Kids

Studying hard for his appearance on "It's Academic" is David Thiel, seated in his nook in the library. Dictionaries, encyclopedias, and other miscellaneous books aid him in having his material correct and organized.

The NBC Peacock was the background as fifteen top Calumet students answered questions asked them by a studio employee.

These fifteen students had gone to the NBC Studio in Chicago to audition for the "It's Academic" program. The students went on October 21, accompanied by Miss Shonkwiler.

Judged on their speed and accuracy, three students were chosen to appear on the television program: Mary Verkuilen, David Thiel, and David Kelleman. Three alternates were also named--Eric Vincent, Robbie Thompson, and Jerry Banks.

## "Their Inkwells

It all starts with a school bursting with interesting news, throw in some aspiring young journalists, mix with an experienced sponsor, and you should end up with *The Warrior*, Calumet's bi-weekly newspaper which contains everything from cartoons to editorials and gossip.

The students who made this '68 Chieftain possible are the hard-working members of the yearbook staff. Deadlines, fresh ideas, errors, and fitting pictures are just a few of the problems the staff has to face.

The students can also demonstrate their literary talents by writing material for the *Kaleidoscope*, a magazine directed by Mrs. Waldron. Student poems, short stories, and essays are published in the magazine which comes out twice during the school year.

Aside from the numerous tasks assigned to each yearbook staff member Pam Stec, Janet Ash, and Tamara Kucko experiment with Mr. Lavery's toy, "Igor the ID Machine".

JoAnn "Flash" Hayworth assembles the tripod and camera in preparation for another photographic assignment. JoAnn and Tim Terrell worked together to supply the yearbook with many needed pictures throughout the year.

Peggy Fossette, Debbie Scott, and Ken DeRolf, members of the newspaper staff, prepare an assignment for an up-coming issue of our bi-weekly paper, *The Warrior*.

# Runneth Over . . . "

Robbie Thompson, Warrior editor, gives Sooz Resetar tips on how to improve her cartoons. In this year's Warrior there are many cartoons that add to the student's enjoyment of the paper.

Bruce Shultz, Larry Staesnick, and Bryan Dye each have a special assignment to complete for the Warrior deadline. The deadline means their thoughts flow into stories and pictures.

## UNDERCLASSMEN PREPARE FOR FUTURE

Although they lack the prestige and experience of the Seniors, the underclassmen of Calumet are not lacking in enthusiasm or loyalty for their school.

Juniors, Sophomores, and Freshmen have shown their school spirit by the way in which the large crowds of students appeared at the different games, dances, and programs.

The underclassmen are proving their abilities and leadership which they are developing. In the years ahead of them, the underclass students will remember the enjoyment and hard work of their school years.

# Freshmen Stumble Along

Leading the Class of "71" into their first year of high school are Sherri Wallace, President; Kathy Ordean, Vice-President; Sandy DePew, Secretary; and Linda Lowe, Treasurer.

Although the class of "71" is unfamiliar with the responsibilities and duties which are required of high school students, they are capable of being fine leaders.

Calumet High's Freshmen provide the publicity for the long awaited Homecoming.

Another major project is the candy sale which they sponsor for their class treasury. A dance was also held for the entire student body.

Freshmen have shown the willingness to serve their school and the desire to set a fine example for their fellow students.

# Sophomores Are on Their Way Up

The Sophomore Class headed by President, Fred Keck; Vice-President, Sandy Nix; Secretary, Ken King; and Treasurer, Kay Parker with class sponsor, Mrs. Meyer together conducted the main functions of the sophomore year.

The main activity of the class of '70' is the annual candy sale, which they worked very hard at to make a success.

They also conducted the Homecoming Assembly. Kay Parker and Sandy Nix presented the cake to the members of the Football and X-Country teams. Later in the program, Fred Keck presented his "pep" speech.

The sophomore class of Calumet High School is on the right road to becoming prominent and capable upper-classmen who will be an example to those who will follow.

The Juniors, eager to cast a reputable shadow, organized their class quickly and efficiently.

The able leaders of the class of '69, Peggy Goocher, President; Janet Ash, Vice President; Joy Beasley, Secretary; Barb Michael, Treasurer, and class sponsor, Mr. Semba led the class through a highly successful year.

Raising funds is always the goal for the Junior Class in anticipation of the Junior-Senior Prom which has traditionally been the task of the Junior Class. The candy sale along with the sponsoring of the annual Homecoming dance contribute the largest amount.

## WARRIORS ENJOY WINNING SEASONS

Competition is the life's blood to young men. The desire for athletics is unquenchable, the memories are eternal . . . men are made; a chapter in life is written.

They create for themselves an unbreakable bond of sentiment, a foundation of tradition. The student body is essential if athletics are to reap any semblance of a reward for their contributions.

These glowing memories of yesterday's heroes will pass into the shadows and give way to the experiences of the future . . . joys of victory, shadows of defeat, optimism, shouts, silences, cheers, confusion--all these and many more will form tomorrow's memories.

Varsity football coaches, Schmidt, Trcka, and Kokinda, show their approval of the team's 12-6 upset victory over Griffith in the first game of the season.

## Warriors Have Succ

The 1967 football season proved to be a very successful one for the Warrior gridders. Under their new head coach, Len Schmidt, Calumet compiled an impressive 6-2-1 record.

The Warrior co-captains for the season were guard Mike Tipton, center Tom Parker, and fullback Joe Rodriguez. Other prominent players included halfbacks Karl Florence and Theodus Brock and linemen Howard Funston and Tom Barnett.

This year's team yielded 33 lettermen, 18 of whom will be returning. These talented underclassmen show signs of producing another winning season this fall.

Guard John Summers blocks would be Highland tackler as Theodus Brock picks up valuable yardage on a kick-off return. The game was a scoreless battle until the very last play when Brock hauled in a Bob

Meacham pass for a touchdown just as the gun went off. This 6-0 victory, perhaps the most thrilling of the year, was the product of a great defensive effort by the Warriors.

Calumet's freshmen team this year had its chance to prove what sportsmen they were. The team ended the season with a 2--6 record, but they did get the experience they will need in their football years. Outstanding effort was put out by Mike Finnerty and Dennis Albritten.

## The Many Moods of Calumet Coaches

Calumet's baseball coach, Richard Trcka, stands ready to coach first base during a game against Lowell.

Disappointed Coach Traicoff offers a few comforting words to Dave Dees after losing an important meet.

# Harriers Undefeated in Dual Meets

Calumet again came on strong despite the lack of depth for which the Harriers have been known in past years. Calumet lost the Conference meet for the first time in five years due to the fact that the 2nd man on the team, Henry Butler, did not run because of injuries. Calumet came in sixth in the Regionals.

The squad will have five returning lettermen and will again be under the watchful eye of Coach Chris Traicoff.

The Harriers that led the team to victory were: Clifford Brown, Henry Butler, David Dees, Joe Ring, and Greg Traicoff.

Junior Tim Terrell, on his first year out for Cross Country shows fine running form in a Varsity meet at South Gleason. Tim ran most of the Varsity meets but hopes to better his time next year.

Team Captain Dave Dees is shown gaining ground on Jim Eastlund of Wirt during a Triangular meet at South Gleason. Calumet defeated both Griffith and Wirt with a score of 17. Wirt had 40, Griffith 50.

Though only a freshman, young Greg Traicoff lettered in X-Country and ran as a starter on the team. Above, Greg finishes the course in the meet against Merrville and Highland.

Part of the success story behind the Calumet Harriers was the performance of junior Clifford Brown. He is shown here crossing the finish line for a first place in the Portage-Edison meet. Calumet won the meet with a low score of 15.

## ht Future for Varsity

Practice and calisthenics help get our fine basketball prospects into top physical shape for a basketball season. Hard work is the key to a team's success.

Calumet was 8-13 in its 1967-68 season. Highlights of the season included victories over Griffith, Hammond Gavit, Munster, and Highland.

Coach Traicoff's charges lost their opening game of the E.C. Sectional to Bishop Noll, the number 8 team in the state, by a 89-56 score.

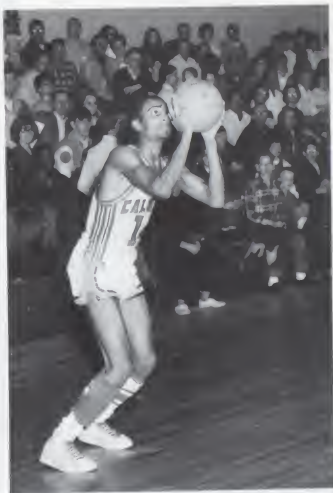

Graduating seniors include Darrell Peddycoart, Dan McClanahan, Bill Tovsen, and Howard Funston. The outlook is bright for the future with Don Millington, Doug Bragg, Joe Olis, Gary Cooper, Vince Johnson, all returning next year.

The worried expression on the faces of Coaches Chris and Carl Traicoff say more than a thousand words to the boys.

Darrell Peddycoart shields the ball from an unidentified Chesterton player as they drive down the basketball court together.

With only a fraction of a second to aim, gunner Charles Tavorn prepares to shoot for two points.

# Junior Varsity Has Spirited Season

Following a rough training schedule, the Junior Varsity basketball team entered an exciting season. Coach Steve Bjelich had his players training night after night for their full schedule of games.

Coach Bjelich has done a good job of giving the boys on his team a sense of fair play and a love for the game.

This year the Junior Varsity team wound up their season with a record of 7 wins and 13 losses, a losing record but valuable experience was gained.

Jump ball is the decision of the referees as Ray Dease makes a rebound. Joe Olis is there to assist him, but Ray has full control.

JV players kneeling: Larry Dye, Greg Traicoff, Jerry Yeager, Corky Porter, STANDING: Gerry Splitgerber, Fred Keck, John Taylor, Joe Olis, Sherman Foley, Jim Solon, and Coach Bjelich.

Gerry Splitgerber looks mighty mean while defending the ball from his gangly opponents. Ray Dease comes up from the back to make it a fair battle.

Paul Cuneo drives in two more points for Calumet despite the defensive moves of a Bishop Noll player. Keeping a keen eye on the play is Wayne Ralph.

"What did I do to deserve this," says Coach Ed Vondrak as things don't quite go his way on the playing floor.

## Frosh Gain Experience

Under the direction of Coach Edward Vondrak, the freshman basketball team has highlighted their season with wins over Wirt and East Gary. The team has learned the rules of good sportsmanship and fair play as well as those of good basketball.

Though these players are new to the game they have put forth an outstanding effort and have gained knowledge and experience.

STANDING: Coach Ed Vondrak, Wayne Ralph, Joe Guice, Paul Cuneo, Eugene Wellman, Doug Parsons, Dennis Albritten, David Cobb, Terry Floyd, Carl Matthews, John Nanta, Mike Summer.

The Freshman Basketball team watch intently with grimaced faces as another basket is made by their opponents.

# Intramurals Provide Weekend Action

The school week does not always end on Friday at Calumet. On Saturday morning many students participate on intramural basketball teams made up of students who have formed their own squads. Over 50 boys play in these 30 minutes games under the watchful eyes of Coaches Alvarez and Schmidt.

At the end of the season, the teams are ranked according to their records. The team with the most wins is the champion for the intramural season and is awarded a trophy.

"Oh no you don't," says Gerry Gearhart of the Other Guys, but Vaughn Jones and Clifford Brown of the Parkers don't agree. Gerry tries to pass the ball in an attempt to save it from his opponent.

"Two more points for our team," Walter Anderson says hopefully. Doubting Anderson's ability to score, Bryan Dye anxiously anticipates a rebound.

This is the time when friends are needed as Jess Funston looks frantically around the floor for a fellow teammate. Agile Rick Childress keeps a sharp eye on the ball, while Otis Burts makes an attempt to steal it.

Senior Ralph Cooper, Secretary-Treasurer, and Bruce Shultz, President take time out of their activities to pose for yearbook photographer.

## CHS Bowlers Strike Out

Bowlers from Calumet High School meet at Tri-City Bowling alley from 4 to 6 every Thursday. Mr. Zeilinski, the coach, guides the young bowlers in learning fundamentals. Top bowlers for the club are Ken Stigall and Bruce Shultz who have both bowled well over the 200 mark.

Trophies are awarded to the highest game and the highest series of the season.

Has someone just bowled a 300 game or is junior Eugene Climer worried because he is next? On-lookers from left to right are James Estes, Tony

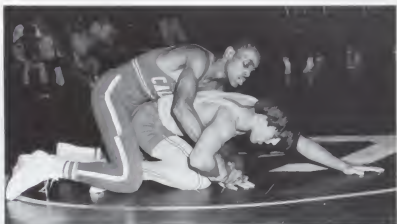

Martinez, Gerry Gearhart, Eugene Climer, and Jim Cooke.

## Grapplers Retain Confer

Of the many athletic contests in high school, wrestling has to be listed as one of the most demanding. Only in its third year at Calumet, wrestling has proved to be a crowd pleasing success. It is a sport which pits the strength, endurance, and agility of two athletes against each other.

Highlighting this season's campaign were the performances of Bob Stang, Mike Tipton, and Bruce Schwartz, all emerging as Sectional champs. Bob fought his way to the Regionals, where he finished second, his final record: 18-1. Mike and Bruce saw keen competition in the Regionals, both losing in fiercely contested matches. Their records: 19-1 and 17-2 respectively.

Tension mounts as each wrestler watches his teammates in action. Joe Rodriguez, Mike Tipton, and David Kirk anticipate their own outcome.

The takedown is the first move that gives the wrestler points. Tom "Tuna" McLaurin rides his opponent and tries for better positioning to get a hold where he can pin.

While the wrestlers use their strength and ability to defeat their man, the coaches, Mr. Beckham and Mr. Henshaw, shout encouraging words and additional advice that may help.

The calm before the storm: Ken Stigall performs the customary hand-shaking ritual with his opponent preceding the match.

# ence Championship

Calumet's heavyweight, Bruce Schwartz, has his competitor ready to pin. The ability to pin calls for extreme endurance.

Arm raised in victory, Jose Rodriguez comes off the mat a happy man. Weeks of hard practice, mat burns, and bruises are paid for by winning.

"I just can't believe it," says the referee after Jose Rodriguez pinned his opponent. The other team members rush onto the mat to congratulate him.

The varsity wrestling team members are: KNEELING--Mng. Doyle Crowell, Bob Stang, Jerry Pendley, Ken Stigall, Ford Fischer, Tom McLaurin, and Mng. Clarence Wilkerson. STANDING-- left to right are: Ray La Borde, Mike Tipton, Bob Edgerton, Coach Beckham, Asst. Coach Henshaw, Jose Rodriguez, Bruce Schwartz, and Ira Rouse.

A well deserved rest goes to Mike Tipton after a grueling match. Mike was undefeated in conference after meeting tough competition in this rough body contact sport.

# Weights Keep Athletes in Shape

Football is a rough sport and the boys have to be in top condition to participate in it. After the full season is over, some of the boys relax. Then when practice starts again, they're out of shape.

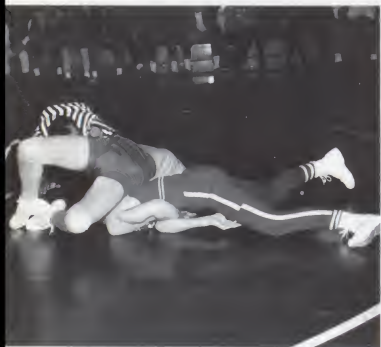

Flabbyness will not set in on Walter Errett because he works out regularly to keep in shape for fall practice.

Weight lifting keeps boys in shape during seasons when they don't participate in a regular sport. Ken Stigall works out regularly to develop his muscles for the next wrestling meet.

Ken Stigall's weight lifting paid off. He uses his strength to apply a "surfboard" hold on his pretzel twisted opponent.

Watching the ball just shot by Roy Nasby, his teammates smile approvingly at it; or maybe its the girl's gym day?

## Golf Team Bolstered by Four Lettermen

For many golf is a relaxing activity, but for members of the golf team it is a tension-packed sport.

The team's record last year was 18-7, giving them a rating of 10th in Conference. With the return of four lettermen they hope to achieve a more perfect season.

Coach Robert Royer has high hopes for his young golfers Doug Nasby, Ed Stamper and Jack Willsey.

All hands on the symbol of golfing--the club--part of the team looks right into our camera. Posing from left to right are Mark Rutity, Carl Saroff, Bob Freeman, Joe Olis, Stewart Lynch, and Roy Nasby.

## Track Stresses Individual Effort

This year's track team had an excellent season resulting from their vigorous training programs. Some members have been engaged in workouts since November. Everyday after school the boys met in their various groups to proceed with their workouts.

The team benefited from the outstanding performances of Karl Florence--quarter-miler, Henry Butler--halfmiler, Jerry Banks--shotputter, Jim Hauer--polevaulter, and Bill Tovsen--broad jumper.

These three tough-hoofed boys are members of Calumet's elite "500" Club. Jesse Vasquez, James Estes, and Joe Ring ran this distance over a period of months.

Up and over in winning style, Silas Sconiers soars above the high hurdles.

Mild-mannered Bruce Schwartz, Calumet's answer to Steve Reeves, flexes his muscles as he readies to put the shot through the gymnasium wall.

1st ROW: Coach Schmidt, C. Banning, D. Kraft, J. Nauta, P. Mares, G. Rouse, D. Blink, D. Kenling, E. Vasquez, C. Whaley, S. Borders, J. Kobak, M. Jackson. 2nd ROW: B. Hood, C. Perez, S. Sconiers, R. Clifford Brown, one of the best half-milers in the state, runs the track daily to build endurance.

Jerry Kovek and Steve Borders grimace as they make the leap over the high hurdles. Weeks of indoor practice are needed to get these boys in shape for the spring meets.

1967-68 Baseball Team, KNEELING: Mng. Paul Robinson, John Taylor, Fred Keck, Larry Dye, Gary Cooper, Roger Splitgerber, Corkey Porter, Rick Monter, Sherman Foley and Mng. Dave Ferguson.

STANDING: Mng. Mike Marlow, Gene Johnson, David Price, Bryan Dye, Dan McClanahan, Bob Meachan, Dick Goocher, Larry Barker, Jim Foy, and Coach Trcka.

Richard Goocher heads home to score another run for Calumet against Merrillville.

Jim Foy gives valuable batting tips to Larry Barker on how to improve his swing.

# New Head Coach Initiates Winning Season

Larry Barker, Coach Joe Starkey, Jim Foy, and Dick Goocher discuss baseball strategy before a game.

Since the start of the new year, baseball candidates have been trying to get into shape for the coming 1968 season. Under the guidance of new head coach Richard "Curly" Trcka, the baseball team will attempt to improve upon last year's 6-5 Calumet Conference record.

The squad will be strengthened with the return of seven lettermen. The 1968 Schedule features a game with Laporte's Slicers, the 1967 State Champs.

Pitcher Dick Goocher displays his fastball technique to David Price. Dick's lightning throw was so quick that Dave asked to see it one more time.

Batting ace Dan McClanahan limbers up and gets in batting practice during a winter workout in the gym.

## SENIORS— FIRE-UP FOR FINAL FLING

In their final months of school the Seniors put forth a frantic effort to make the most of their last year.

They strive to make it fruitful and beneficial. Although anxious to demonstrate their abilities and knowledge, the students are reluctant to leave the friends they have acquired over the preceding years. The Seniors, a little wiser and more experienced than they were on that fall morning four years ago, are ready to accept the responsibilities of young adults. These departing students are looking forward to a bright future filled with opportunities and success.

## Officers Lead Class Through Final Year

As their final year at Calumet comes to a close, the seniors enjoy as many activities as time will allow. The seniors have participated in many programs and various activities such as the Senior Banquet, rehearsing for graduation, ordering announcements and name cards, registering for college, and taking college entrance exams.

There is of course, a feeling of joy at the prospect of no more books, bells, reports, or late assignments, but it is tinged with regret. All of the things above will end in memories, but the seniors have enjoyed providing these memories which they shall treasure for many years that are to come.

In the spring of '67 the Junior Class chose these students to lead our class in '68: Ford Fischer, Treas.; JoAnn Hayworth, Sec.; Bill Yeager, V-Pres.; and Mike Cheek, Pres.

# '67 Outstanding Seniors Are Chosen

One of the highest honors any senior can receive is the Outstanding Senior Award. Each year one boy and girl is voted by their classmates to be deserving of this award.

The senior class has chosen two students who they feel are worthy to represent their class both now and in the future. The class of '68 has many reasons to be proud and the recipients of the Outstanding Senior Awards are two good examples of them.

Chosen by the Class of '68 as the Outstanding Senior girl, is Student Council president, Pat Lowe. During her high school years, Pat served as sophomore class president, junior class secretary, and was the DAR award winner.

## AND NOW A WORD FROM OUR SPONSORS

We are very thankful to our patrons and to the merchants of the Calumet Region who have helped make our yearbook possible.

Advertising for our yearbook was started in mid-July. The soliciting of ads was done by Lynda Teitge, Lawna Enoch, Mary Verkuilen, and Barbara Umlauf.

Thank you letters, sending out bills, and filling out advertising contracts make up the duties of the Advertising staff.

Advertising is only one facet of the complex mechanism of the creation of a yearbook.

# High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

## 1968—Great While It Lasted

It's over--the assemblies, the classes, the games, and even this yearbook--finished. All the good times and hard times we've had this school term can be chalked up to experience now.

The freshmen are relieved to be rid of that awkward year that everyone but freshmen seem to joke about. Sophomores are anxious to step up into the ranks of the upperclassmen and enjoy the feeling that seniority brings. Nervousness accompanies the juniors as they make that immeasurable jump and attempt to fill the abyss left by the seniors. And yes, the seniors, well they have pride, regret, and hope for the future. Seniors have the most exciting and challenging change to make--one that we will all make.

This yearbook is dedicated to the youth and enthusiasm of the seniors, in the hope that they will be a credit to themselves and to Calumet and also that the Chieftain will be a lasting representative of 1968.

## People Behind the Scenes

The 1968 Chieftain is the product of many hours of hard work on the part of the yearbook staff. These 15 students have combined their wits, time, and imagination to picture the school year and preserve its memories.

However, a handful of people cannot produce a yearbook alone and we would like to acknowledge the entire student body for their cooperation with our efforts. Another thank you goes out to all the administrators, teachers, and coaches who patiently endured our interruptions and the inconveniences we have caused.

Photography is a very important part of every yearbook and we are very grateful to Mr. Roy Wilson and his students for their assistance in this phase of our work. Also included in this category is Walinger Studios who took senior pictures and covered many events during the school year.

We would also like to acknowledge Mr. Bart Murphy, our American Yearbook representative, for the suggestions and help he gave us with our layouts and copy.

Last but not least, the staff would like to thank Mr. Lavery, our advisor, for his time and patience. His "inspiring" comments and instructions have proven to be a valuable asset to the 1968 Chieftain.
